Request of ICL Membership Fee for the Year 2009

Thank you for your continued active contribution to activities of the International Consortium on Landslides (ICL) and the International Programme on Landslides (IPL).

With strong supports of ICL members and ICL supporting organizations, we could successfully organize the First World Landslide Forum at the United Nations University (UNU) in Tokyo on 18-21 November 2008. 430 persons from 48 countries participated. The participants adopted 2008 Tokyo Declaration: Strengthening the International Programme on Landslides (IPL) with UN-ISDR, and decided to organize the Second World Landslide Forum at the Headquarters of the Food and Agriculture Organization of the United Nations (FAO), Rome, Italy in September 2011. The Third IPL Global Promotion Committee held in one day before the Forum chaired by Mr. Salvano Briceno, Director of UN-ISDR approved 12 World Centres of Excellence on Landslide Risk Reduction from 11 countries.

The Eighth Session of the Board of Representatives (8th BOR/ICL), the Fourth IPL Global Promotion Committee and the Planning Committee of the Second World Landslide Forum will be held at the Headquarters of UNESCO on 17-19 November 2009. I request you to attend the meeting above and contribute to planning of ICL and IPL activities.
