Theme Coordinators as well as WLF5 secretariat will check the registration, and communicate with the preliminary registered persons for WLF5 programme.

4.4 Call for Sponsors of WLF5

The International Consortium on Landslides invites your company to be an invited sponsor to support participation from developing countries and young scientists. WLF5 and KC2020 aims to reduce landslide disaster risk over the world, notably in developing countries where landslide disaster risk will be intensified by the development in mountains and coastal areas due to population growth and also by the changing climate and global warming. Types of sponsorship will be 500,000; 300,000; 100,000; and more than one unit of 10,000 JPY. Benefits of sponsors include exhibition (in booth and posters at WLF5 venue), recognition and advertisements and technical introduction (in Landslide Journal, Full color books, WLF5 webpage), and Free non-speaker tickets.

Should you be willing to support WLF5 and KC 2020, you are requested to inform to WLF5 secretariat and also fill the preliminary registration form for sponsors/exhibition.
