To ICL and IPL members

UNESCO/KU/ICL UNITWIN Report 2011-2012

Request of Plan and Report of Activities as ICL members, IPL Projects, WCOEs and Networks.

Dear ICL and IPL Colleagues,

ICL submitted UNITWIN Report 2011-2012 as the attached. As this opportunity, I wish to ask the following cooperation.

1. “Landslides” ICL journal which is the highest impact factor of 2.216 within 30 ISI Journal in the category of Engineering, Geological. It will be a bimonthly journal from Vol.10 in 2013. Every two months each issue will be published. The category of ICL/IPL Activities of the journal will be a newsletter of ICL and IPL. Short article and plan and report of conference, symposia, seminars, and schools related to IPL, WCOE, Network or research activities are welcome to contribute. It must be contributed through the Landslide WEB editing system “Editorial Manager”.
2. ICL network committee is maintaining ICL and IPL web. All news and reports of meetings, publications and other information of ICL members, IPL project, WCOE, Networks are requested to send them to **ICL network committee** <icl-network@iclhq.org> to be uploaded in ICL and IPL web.
3. The information published in “Landslides” and ICL and IPL Webs is used in UNITWIN Report or other ICL activity reports.
4. Note: The review process of papers contributed to “Original articles”, “Recent landslides”, “Technical notes” of Landslides has **no difference** between ICL members and non-ICL members, because the journal is the contribution of ICL to the whole society in order to promote landslide research and landslide researchers.

Contributing articles / information to the category of ICL/IPL articles are eligible for ICL and IPL members. This category is functioned as an ICL-IPL Newsletter.

It has also a review for articles in this category in order to keep the quality of journal.

I wish to see your activity plan and reports uploaded in ICL-IPL web as well as published in the ICL/IPL activities of Landslides.

Best regards,
