To ICL Board members,

## Invoice for 2018 ICL membership fee (Due date is 31 December 2017, Deadline is 30 March 2018)

Dear Colleagues,

ICL is financially supported by ICL membership fees in proportion to the 4 categories based on the GNI per capita for each country as announced by the World Bank each year.

Table 1. 2016 GNIPC and 2018 ICL membership categories

Income class	GNIPC	Membership fee category
High income	\$12,236 or more	3000-5000
Upper middle income	\$3,956 to \$12,235	2000
Lower middle income	\$1,006 to \$3,955	1000
Low income	\$1,005 or less	500

The ICL secretariat will send the invoice for ICL membership fees to ICL members based on the attached Table. Those member organizations wishing to reduce the membership fee from the regular membership fee category are requested to inform the ICL Secretariat.

Participation of ICL Board members with voting rights to BOR is critically important for the planning and management of all ICL and IPL matters. Travel support fund will be shared to all board members who need it and send the application form by the deadline. Travel support to those members with reduced membership fee may be reduced by the appropriate amount.

**All ICL members are requested to pay their 2018 membership fee by 31 December 2017 and no later than 30 March 2018.**

Yours sincerely,
