

Kyoto Landslide
COMMITMENT 2020

International Consortium on Landslides

24 January 2022

To ICL members, KLC2020 Promoters, KLC2020 Editors,

The KLC 2020 secretariat was established in the KLC2020 launching session on 5 November 2020.

The launching declaration of the open access book series “Progress in Landslide Research and Technology” was adopted at the high-level panel discussion during WLF5 “KLC2020 review and way Forward” on 3 November 2021. The introduction of the open access book is attached. Please carefully read it. The founding issue (Vol.1, No.1) is planned to be published in July 2022 and the manuscript submission is by 28 February 2022.

Type	BPC up to 10 pages	BPC for additional pages/articles
Regular	50 USD/page	
ICL Associate, Supporter, Editor	25 USD/page	50 USD/page
ICL Full member, KLC Official promoter	0 USD/page	50 USD/page

The planned total pages of Vol.1, No.1 is 400 pages.100 pages will be used for the introduction of KLC2020 promoters, Prefaces and pre-decided article. We will call for articles for 300 pages, such as 30 articles x 10 pages, 20 articles x 15 pages, 15 articles x 20 pages. This book series are open access for all types of readers. Visual articles including short video less than 3-5 minutes (motion of landslides, video of landslide sites, testing or monitoring as well as recoded oral presentation by the author) are attractive for practitioners.

We firstly call for articles to ICL members (IPL Projects and WCoEs) , KLC2020 Promoters, KLC2020 Editors. When pages will be left, we call for articles to speakers of WLF5. Please send your plan of contribution **by 28 January 2022 to klc2020@iclhq.org**.
