Date	Morning - Afternoon	Evening
22 Nov. (Tue)	Steering Committee Meeting on the strategy of ICL-IPL-KLC2020	20 <sup>th</sup> Anniversary Ceremony/Talk/ Dinner
23 Nov. (Wed)	BOR/ICL, GPC/IPL-KLC, WLF7 proposals and WLF6 progress report	
24 Nov. (Thu)	IPL-KLC Symposium (onsite, online, pre-recorded)	
25 Nov. (Fri)	IPL-KLC Symposium (onsite, online, pre-recorded)	

**Date: Morning to Afternoon of 22 November 2022 (Tue) Steering Committee Meeting**

Officers of the ICL (Seventh term), Chairs of the ICL Committees, representatives from ICL supporting organizations and KLC2020 official promoters are invited to examine the strategy of ICL-IPL-KLC2020.

**Date: Evening of 22 November 2022 (Tue) ICL 20<sup>th</sup> Anniversary Ceremony and talk.**

Anniversary dinner at Restaurant La Tour, Clock Tower, Kyoto University

**Date: 23 November 2022 (Wed)**

**1. Board of Representative Meeting and Global Promotion Committee of IPL and KLC.**

The 8<sup>th</sup> term of the ICL will start from 1 January 2024 to 31 December 2026. The President of the ICL for the 8<sup>th</sup> term and members of the Vice-president nomination committee will be elected. The Seventh World Landslide Forum in 2026 will be examined and decided. The **2022 IPL project proposal form** is attached in this mail. The accepted projects will start from 1 January 2023.

(World Centre of Excellence on Landslide Risk Reduction will be announced at each Forum and continued until the next Forum for 3 years. The application will be called in Spring 2023.)

**2. WLF7 proposals by ICL members.**

- 1) WLF does not publish books, but abstract proceedings only.

- 2) Authors of the Open Access Book Series “Progress in Landslide Research and Technology” will be invited to talk.
- 3) Name of the proposed organization, Forum chair, proposed period, General theme, Venue, Field trip, number of expected participants, and budget plan (income and expense including ICL management fee - 10% registration fee).

**The attached WLF 7 proposal form** should be submitted to the ICL-KLC Secretariat before 30 September 2022. Proposers are invited to explain their plan in PPT.

**3. Progress report by the WLF6 Organizing Committee and the six theme coeditors.**

**24 -25 Nov. (Thu) IPL-KLC Symposium (onsite, online, pre-recorded)**

1. Oral presentation of 2022 IPL Project Proposals and discussion.
2. Oral presentation of the articles from the ICL Open Access Book Series “P-LRT” (Vol.2, No.1 in 2023, Vol.1, No.1 & 2 and in 2022), articles by ICL members from ICL Journal ”*Landslides*” (Vol.19, No.1-11 in 2022) and discussion.
3. Strategic discussion to promote global recognition and social implementation of the research, technology, monitoring/field investigations, and capacity building activities performed by ICL members through the ICL open access book series “P-LRT” worldwide.

**Travel support for ICL full members** will be allocated to those ICL full members, who have submitted the attached travel support application form by the deadline.

Kyoji Sassa

Secretary General of ICL and KLC2020
